

Onsite Digital Display

Sample Graphics & Advertisements

DART™ Digital Signs are the ideal messaging solution for entertainment venues and retail locations. Highly attractive and definitely noticeable, a DART display lets customers know about specials, upcoming events, and advertising partners along with general branding.

Use for:

- Co-op Advertising from Brand Distributors
- Instant Specials (for inventory circulation)
- Unique Entertainment (staff photos, holiday messages, etc.)
- Rent the screen out for Event Marketing/Onsite Promotions

The DART can be updated via phone, DSL, wireless access, or physical disc and holds up to 150 slides, all schedulable as needed. Simply have your graphic artist produce your content or utilize A.R.T.'s graphic design services for innovative and eye-catching messages.

Flat Panel LCD or Plasma Displays - 15" to 60"
Wall, Freestanding, or Ceiling Mounted
